Fall 2024 Newsletter

Fall is my favorite season. I always look forward to the cooler weather, football, hunting season, and the holidays. At GB Bank Group, we are in the 2024 home stretch, and it has been another great year.

At Glennville Bank, we are gearing up for our Annual Dorsey Thompson Rib Sale which will be held on Friday, October 25th. The proceeds are donated annually to Tattall County CARES, so be prepared to purchase your tickets in advance while supplies last.

We recently completed the renovations at our Tippins Bank Highway 301 Branch in Claxton. The new entrance has provided a more convenient access point for our customers, and the new signage really pops, and in Reidsville, we are finalizing the construction of our newest branch office. We are excited about this venture, and we plan to open the new Reidsville Bank Branch early next year.

School has started in Ludowici which continues to grow exponentially with our Ludowici Bank Branch, and our Statesboro Bank Branch sponsored a fall give-away for our hunters at Bay Gall Sporting Clays.

In addition to these positives, it should be mentioned that criminals continue to use scams and other fraudulent activity to prey on some of our most vulnerable customers. Please monitor the activity on your accounts daily and contact us with any questions. You can stay connected with your accounts via our mobile and online banking applications. Also, please remember, **we will not contact you and ask for any personal financial information.** If you are called by anyone asking for your personal financial information, hang up and call us immediately. We are here to assist you.

At GB Bank Group, as we prepare for the upcoming holiday season, we are very thankful for you, our customers. Our success would not be possible without your support. Thank you, on behalf of our GB Bank Group Family of Banks, in Glennville, Ludowici, Statesboro, Reidsville, and the Tippins Bank in Claxton. You can Bank on us!

Reidsville Bank Building Update

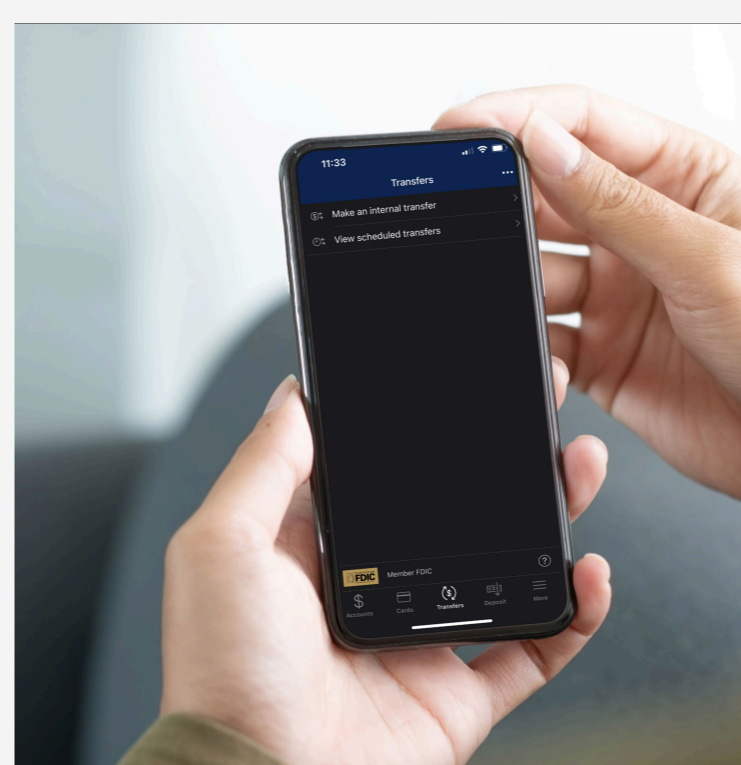

The new Reidsville Bank building is coming right along! After 14 years of operating in their current location, this branch is getting a new, larger space to serve our customers better in. It will be 3,200+ sq ft and constructed by WES Construction. The growth of our group of small-town banks is so exciting to watch and be a part of!
